Dear Dr. Anand,

I am extremely happy to receive your letter, which contains kind words of appreciation.

Let me apprise you that we, collectively are trying to build up a resurgent Kerala, which will be marked by growth, development and modernity.

On the one hand we ensure the well-being of the downtrodden, the dispossessed and the marginalised sections and on the other we focus on the infrastructural development, which will go a long way in equipping the state with the most modern trends of industrialisation that will be at par with the standards of developed societies the world over.

We have achieved what you describe as uncomparable despite the onslaught of a deluge like flood, Nipah epidemic and the Covid pandemic that would have crippled any economy and brought the process of development to a grinding halt.

Your words of appreciation will greatly enthuse the society of Kerala to go further and achieve what the state truly deserves in the new millennium. I once again express the sincere gratitude on behalf of the state, people and on my own behalf.

Thanking you,

Yours sincerely,

Dear Dr. Anand,

25th November, 2020

I have received your Letter dated 21st November, 2020 where you have shown your happiness for visiting Kerala PHQ and other places to see the Children and Police (CAP) programmes pioneered by us.

I can assure you that Kerala Police has a beautiful relation with the Children in the society. We have not only launched various programmes but also ensured that Child Protection Officers and Child Welfare Officers are posted in each of the Police Stations. We are also trying to document our children related activities by taking the help of UNICEF. Similarly, we are also finalizing a Standard Operating Procedure (SOP) for investigation and prosecution of POCSO Cases where we have to do a lot of work to get maximum number of cases convicted.

We do not police the Children but we developed a partnership with Children and tried to make them responsible law abiding citizens. We also tried to improve their skills, qualities, dispositions, etc.

Your visit has given us lot of encouragements. I request you to visit Kerala more frequently and give us guidance.

We are planning some **new projects relating to the Children**. Those will be extremely rewarding for the safety and security of the children in the society. We may require your assistance - both in terms of intellectual property and funds - in this regard.

We have constituted a Committee comprising of IGP Crimes Sri.Sreejith IPS (Mobile: 9497999988); Sri.P.Vijayan IPS, IGP HQ (Mobile: 9497997998); Smt.Harshita Attalluri IPS, IGP SZ (Mobile: 9497999993); Dr.Divya V. Gopinath IPS, DCP Law and Order, TVPM City (Mobile: 9497996988) and from Police Headquarters Smt.Merin Joseph IPS, SP HQ (Mobile: 9497996996) will co-ordinate for launching the programme. They will come out with the concept of a new programme for the children shortly and you will be posted/kept informed.

I request you to appraise the National Commission for Protection of Child Rights about our activities; I also personally request you to bring the activities to
