PROFILE (Competencies and Achievements)

TECHNICAL EXPERTISE

- **Developed and amended** comprehensive **public health** and **disaster management policies** to enhance **resilience** and **preparedness**, with a focus on **preventive care** and protection of vulnerable populations, including **women and children**.
- **Collaborated with national and international organizations** to align **policy frameworks** with **global standards**, ensuring **compliance** and **synergy** across sectors in **public health, disaster mitigation, and child welfare**.
- **Led the drafting, evaluation, and continuous improvement of policies** in coordination with **government** and **non-governmental agencies**, incorporating **evidence-based strategies** and **community feedback** to ensure effective **implementation** and **sustainability**.
- Over 20 years of experience in **public health, disaster management, communicable disease prevention, and child welfare**, with a strong focus on **policy development** and **program implementation**.
- Extensive work in **HIV/AIDS prevention** with the National AIDS Control Organization (NACO), implementing prevention programs and engaging in **capacity building** across Tamil Nadu and Puducherry.
- **Specialized experience in disaster management** through the development and implementation of **disaster mitigation policies** to enhance community resilience against natural calamities.
- **Advised on policy amendments** to improve disaster response protocols, collaborating with local and national agencies to ensure **comprehensive preparedness and recovery measures**.
- Conducted research and published findings in reputable journals, covering critical public health issues, including HIV/AIDS, community health, and **disaster response strategies**.
- Led multiple programs on **disaster prevention, maternal and child health, and social welfare**, particularly during the COVID-19 pandemic.

GLOBAL & NATIONAL POLICY

- Played a critical role in **national disaster management policy**, advising on amendments to better support at-risk populations in disaster-prone areas.
- Contributed to **national child welfare policy** as a Member of NCPCR, advising the Ministry of Women & Child Development on **child protection** and **disaster resilience measures**.

- Conducted training seminars for government officials, police officers, and district authorities on **disaster preparedness** alongside **child protection laws** and best practices in public health.
- Participated in policy discussions with international bodies, including UNICEF, to align national child welfare and **disaster resilience** policies with global standards.
- Coordinated **public awareness campaigns** on disaster preparedness, public health, and child safety, ensuring broad outreach across South India.

PARTNERSHIP DEVELOPMENT

- Established collaborations with WHO, UNICEF, and UNAIDS to design and implement HIV/AIDS prevention programs.
- Built partnerships with **government agencies and local authorities** to enhance **disaster management capabilities** and support child protection initiatives.
- Formed partnerships with NGOs, educational institutions, and corporations, supporting extensive public health and child welfare campaigns.

RESOURCE MOBILISATION

- Mobilized resources for public health initiatives, including the **RG Care program**, which provided essential supplies during the **COVID-19 pandemic**.
- Secured support for educational and nutritional programs for underprivileged children, partnering with local institutions to ensure sustainable impact.
- Raised funds and gathered resources for child welfare initiatives, including education and healthcare for orphanages and underserved communities.

LEADERSHIP

- Provided leadership in various roles, including as Regional Coordinator for NACO and as a Member of NCPCR, overseeing program implementation and compliance.
- Led training sessions on best practices in HIV/AIDS management, public health, and child protection for healthcare workers and community leaders.
- Spearheaded the **“VOICE FOR TOYS”** program under **Atma Nirbhar Bharat**, promoting cognitive development in children from underserved communities.
- Regularly engaged with communities through field visits, fostering trust and ensuring alignment with local needs.

PROFESSIONAL EXPERIENCE

Independent Public Health Expert, Tamil Nadu | Jan 2024 - Present

- Advised local government bodies on **public health policies and community health initiatives**, focusing on improving access to healthcare resources.
- Conducted **public health assessments** to identify key health needs within communities, providing recommendations for targeted interventions.
- Developed **health promotion materials** to increase awareness of preventive health practices, particularly for rural and underserved populations.
- Engaged with local healthcare providers to implement **screening programs** for non-communicable diseases, improving early diagnosis rates.
- Coordinated with **non-profit organizations** to organize health camps and vaccination drives, ensuring access

to essential healthcare services.

- Implemented **data-driven approaches** to monitor community health trends and evaluate the impact of awareness campaigns.
- Provided **guidance on hygiene and sanitation practices** in public forums, enhancing community understanding of disease prevention.
- Collaborated with educational institutions to promote **youth involvement in public health initiatives**, fostering a culture of health awareness among younger generations.

Member, National Commission for Protection of Child Rights (NCPCR), Ministry of Women & Child Development, Govt. of India (March 2023 - July 2023 | July 2018 - July 2021)

- Served as a key member specializing in **Child Psychology**, advising on **policy-making related to child welfare** and rights at the national level.
- Played a critical role in drafting, monitoring, and evaluating **child protection policies**, impacting millions of children across India.
- Conducted comprehensive inspections and evaluations of child care institutions to ensure compliance with safety and welfare regulations.
- **Advocated for children's rights in national forums**, presenting research findings and recommendations to policy-makers.
- **Launched 'Samvedana,'** a toll-free tele-counseling service to help children cope with the stress and trauma of COVID-19.
- **Organized extensive training programs** for police officers, state government officials, and district authorities on child protection laws.
- **Led awareness campaigns** on child safety, engaging with the public through media channels and community outreach.
- **Facilitated district-level seminars** to educate stakeholders on the importance of child protection, particularly during the pandemic.
- Provided expert guidance on handling cases related to child abuse, exploitation, and neglect within NCPCR's mandate.
- Conducted field visits across South India, representing **NCPCR** in public meetings and collaborative programs with local agencies.
- Played a pivotal role in creating informational resources on **child welfare policies** for distribution to schools and NGOs.
- Spearheaded initiatives to promote mental health awareness among children, collaborating with child psychologists and counselors.

Regional Coordinator, National AIDS Control Organization (NACO), Ministry of Health and Family Welfare, Govt. of India | Dec 2013 - June 2016

- **Supervised HIV/AIDS prevention programs** across Tamil Nadu and Puducherry, ensuring adherence to NACO's standards and protocols.
- **Coordinated between central and state governments** for efficient planning and implementation of HIV/AIDS guidelines.

- **Mentored healthcare centers statewide**, ensuring quality control and optimal service delivery in HIV/AIDS management.
- **Trained medical and paramedical personnel**, including doctors and nurses, to handle HIV/AIDS cases with up-to-date best practices.
- **Acted as a national-level trainer**, developing and conducting workshops to enhance the capabilities of local health workers.
- Conducted extensive research and follow-up on HIV/AIDS prevention programs, contributing to national health reports.
- Collaborated with international partners such as **WHO, UNICEF, UNAIDS, USAID, and PHFI** for knowledge exchange and resource sharing.
- Evaluated and monitored the performance of regional HIV/AIDS programs to ensure alignment with **NACO objectives**.
- Developed and implemented protocols for **Early Infant Diagnosis (EID) of HIV**, impacting newborn care statewide.
- **Organized awareness campaigns** in high-risk areas, educating communities about HIV prevention and safe practices.
- Analyzed regional data to identify trends in HIV transmission, enabling targeted interventions and resource allocation.
- Built partnerships with NGOs and community organizations to support outreach efforts in underserved regions.

Director, Bhargavan Trust, Tamil Nadu | Nov 2012 - Dec 2013

- **Planned and implemented child welfare programs**, focusing on **health and education** for underprivileged children across Tamil Nadu.
- **Developed educational resources** and facilitated **workshops to improve literacy and life skills** for children in rural areas.
- **Established partnerships with NGOs and local government bodies** to amplify the trust's impact on child welfare.
- **Coordinated with healthcare providers** to conduct **regular health check-ups and vaccination drives** for children.
- **Organized and supervised health camps**, providing medical services to orphans and vulnerable children.
- **Launched scholarship initiatives** to support the education of deserving, economically disadvantaged children.
- **Promoted nutritional programs**, providing healthy meals to children in collaboration with local nutritionists.
- **Formulated disaster management and mitigation policies** to enhance community resilience, focusing on preparedness for **floods, cyclones**, and other natural disasters.
- **Collaborated with local government agencies** to develop and advocate for **amendments in child welfare policies**, ensuring **children's safety and security** during disaster scenarios.
- Conducted **community training sessions on disaster preparedness and response**, educating families and community leaders on **safety protocols and emergency response**.
- Designed and implemented a **disaster mitigation framework** for Bhargavan Trust, aligning with **state and national guidelines** to minimize the impact of natural disasters on vulnerable communities.
- **Advocated for policy changes** related to **disaster response and child protection in emergencies**, working closely with government officials and local authorities.

Program Officer, National AIDS Control Organization, Govt. of India | Jan 2012 - Oct 2012

- Led the **Early Infant Diagnosis (EID) program** for **HIV/AIDS prevention**, ensuring early detection and care for infants at risk.
- Conducted **workshops for healthcare professionals** on protocols for Early Infant Diagnosis in HIV/AIDS cases.
- Managed **partnerships with hospitals and clinics** to streamline testing and diagnosis processes.
- Coordinated with **local health departments** to ensure resources and support for EID across various regions.
- Trained **healthcare workers** on the latest methods in HIV/AIDS diagnosis and infant care best practices.
- Played a crucial role in **community outreach**, educating **parents on early HIV testing** for infants.
- Collaborated with **local and national health agencies** to promote the EID program and **HIV awareness**.
- Reported **program outcomes** to senior NACO officials, contributing to **nationwide health strategy development**.
- Developed **educational materials** for **parents and guardians** on HIV/AIDS prevention and safe infant care.

EDUCATION

- **Bachelor of Medicine, Bachelor of Surgery (MBBS)**
Pondicherry University, Pondicherry (2002-2008)
- **Doctor of Medicine (MD) in Community Medicine (Preventive & Social Medicine)**
Dr. NTR UHS University, Vijayawada (2008-2011)
- **Master of Business Administration (MBA) in Hospital Management**
Alagappa University, Tamil Nadu (2010-2013)
- **Master of Arts (MA) in Economics**
Vinayaka Missions Sikkim University (2011-2013)
- **Bachelor of Legislative Law (LLB)**
Madhav University, Rajasthan (2016-2018)
- **Master of Laws (LLM) in Constitutional and Administrative Law**
VELS University, Tamil Nadu (2021-2022)

FELLOWSHIPS

- **Fellowship in HIV Medicine**
CMC Vellore University, Vellore (2009-2010)
- **Fellowship in Child Safety - Hospitality and Tourism Industry**
Hospitality International Standards (2022-2023)

DIPLOMAS

- **Professional Diploma in Clinical Research (PDCR)**
Catalyst Group University, New Delhi, 2010
- **Diploma in Early Childhood Care and Education**
Bharatsevak Samaj (BSS) (2015-2016)
- **Diploma in Architectural Technology**
Bharatsevak Samaj (BSS) (2018-2020)

CERTIFICATIONS

- **Certification in Flood Risk Management**
Royale University, Puducherry (2010-2011)
- **Certification in Disaster Management**
Royale University, Puducherry (2012-2013)
- **Certification in Solid Waste Management**
Royale University, Puducherry (2023)
- **Certification in Sustainable Development**
Royale University, Puducherry (2023)
- **Certification in Urban City Planning**
Royale University, Puducherry (2023)
- **Professional Diploma in Clinical Research**
Catalyst Group University, New Delhi (2010)
- **Certification in Child Psychology**
Royale University, Puducherry (2016)
- **Certification in Developmental Psychology**
Royale University, Puducherry (2016)

RECOGNITIONS AND AWARDS

Dr. Anand's relentless service has been recognized by several national and international organizations for his dedication to women's and children's rights, child welfare, and HIV/AIDS awareness. His honors include:

- **World Book of Records (London, 2021):** Acknowledged for continuous service towards children's and women's rights.
- **Democratic 2021 Award:** Recognized by Democratic Internet Media and Tamil Nadu Press Association for outstanding social service.
- **Real Super Hero (Corona Warriors) Award, 2020:** Presented by Forever Star India Awards for essential services during the COVID-19 pandemic.
- **Social Services Award (2019-2020):** Awarded by Rotary International (Rotary Club of Chennai Capital) for contributions to social empowerment initiatives.
- **PARTON Award (2017):** Presented by Indo Cine Appreciation Foundation.
- **Award by Indian Association of Preventive & Social Medicine (2011).**
- **Certificate of Appreciation:** Presented by PMT Trust for HIV/AIDS control program (2009).
- **Certificate of Honor:** Recognized by Bhargavan Trust for efforts in HIV/AIDS awareness (2006).

KEY ACHIEVEMENTS

Dr. Anand has made significant contributions to society through various initiatives, improving the lives of thousands. His notable achievements include:

- **Digital Knowledge Board for Digital New India:** Donated smart boards and other equipment to 10 child care institutions in southern India, supporting digital education for underprivileged children.
- **PPP Model Implementation and Mask Distribution:** Supported the implementation of the PPP Model (Promotion of cultural event Primordial health with Periodical screening) and distributed 423,000 free masks to the public across Tamil Nadu, enhancing public health safety.

- **Emergency Medical Kits Distribution:** Provided 150 emergency medical kits to underprivileged individuals, improving access to essential healthcare supplies.
- **Nutritional Support for Mothers:** Delivered 500 nutrition kits to poor pregnant and lactating mothers during International Breastfeeding Awareness Week, promoting maternal and child health.
- **Weekly Food Assistance:** Provided food to 200 impoverished individuals every week for the past 10 years, ensuring food security for vulnerable populations.
- **Monthly Food for Senior Citizens:** Supported 300 senior citizens monthly with food provisions over the past 6 years, contributing to their well-being and dignity.
- **Educational Financial Support:** Provided financial aid for school fees to 300 underprivileged students annually, helping children from low-income families access education.
- **Awareness Campaigns for Women:** Conducted campaigns to raise awareness on women-specific Prime Minister's welfare schemes and adoption campaigns for poor women, empowering them through information and resources.
- **Health Camps for Orphans:** Conducted over 250 health camps for children in orphanages across Tamil Nadu and Puducherry, offering essential healthcare and wellness support.
- **Cultural Preservation:** Supported traditional values by contributing to more than 10 temple kumbabishekam ceremonies in rural Tamil Nadu, preserving cultural heritage.
- **Child Adoption and Medical Camps:** Adopted over 60 children from Lawrence Trust and conducted medical camps, ensuring access to healthcare for orphaned children.
- **Educational Empowerment Through Tuition Centers:** Established 100 tuition centers under Seva Bharathi Tamil Nadu, providing educational support to around 2,500 underprivileged children.
- **Prime Minister's Welfare Schemes Awareness:** Organized over 100 awareness camps to inform communities about Prime Minister's welfare schemes, linking people with various government programs for socio-economic empowerment.

CONFERENCE AND TRAINING ATTENDED

- **Vector Control, Public Health Chemistry Lab, Waste Water Treatment, Solid Waste Disposal.** Tirumala, June 2007.
- **Training Programme on Principles & Practices of Epidemiology.** CMC, Vellore, Aug-Sep 2007.
- **19th Annual Conference of Karnataka Association of Community Health.** KIMS, Bangalore, October 2007.
- **Management of Festival & Fairs (Brahmotsavams).** Tirumala, October 2007.
- **13th Joint State Conference of IAPSM & IPHA.** OMC, Hyderabad, January 2008.
- **35th Annual National Conference of IAPSM.** JIMPER, Pondicherry, January 2008.
- **Workshop on MTP Act 2002 Comprehensive Abortion Care.** NMC, Nellore, February 2008.
- **Conference of Indian Psychiatric Society.** NMC, Nellore, February 2009.
- **52nd National Conference of IPHA.** MAMC, New Delhi, March 2008.
- **Addressing Non-Communicable Diseases - A Public Health Primer,** organized by IPHA and AIIMS, New Delhi, March 2008.
- **HIV/AIDS Update.** The TN Dr. MGR Medical University, Chennai, April 2008.
- **University Seminar.** Kattankulathur, Chennai, June 2008.
- **Molecular Diagnosis Workshop.** Vivekananda College, Salem, August 2008.
- **Research Methodology Training.** NMC, Nellore, September 2008.
- **Workshop on Research Methodology.** PSG & IMSR, Coimbatore, October 2008.

- **17th Annual Conference of Hypertension Society of India.** Chennai, November 2008.
 - **53rd National Conference of IPHA.** KIMS, Bangalore, January 2009.
 - **Training on RNTCP (Revised National Tuberculosis Control Programme).** NMC, Nellore, February 2009.
 - **Intensive Interactive Training Program and 6th National Seminar on Prevention of Non-Communicable Diseases.** MDRF, Chennai & University of Alabama, Birmingham, USA, March 2008.
-

PUBLICATION

- **"First of its Kind Knowledge Document for Children with Digital Interface":** Dr. Anand authored and released a unique document based on the Hon'ble Prime Minister's "Mann Ki Baat" radio program. This document, designed for children, encapsulates key messages and guidance from the Prime Minister on building a new India. It includes QR codes for each episode, enabling readers to access relevant YouTube videos directly. To maximize its reach, the book was translated into 15 languages.
